First Colonial High School Bands

The First Colonial Band Boosters, Staff, and Students would like to thank our community and corporate sponsors for their enthusiastic support of our program. It is only with your help and continued support that we can provide the equipment and supplies needed by our students and staff to remain competitive in the region. Participation in a high caliber music education program promotes leadership skills, camaraderie, self-confidence, and sportsmanship. The experience and skills high school band members receive can foster excellence in their personal and professional lives throughout adulthood. The First Colonial Band has been an integral part of the community participating in football games, parades, band competitions, and community events. There is a renewed energy in our program the past couple of years with our Band Director, Nico Craig, who is an FC alumnus.

Band programs across the country saw declining numbers since the pandemic due to lack of in-person instruction, sporting events, parades, and competitions. After returning to in-person instruction, the First Colonial Marching Patriots excelled in competitions and received a Superior Assessment rating, despite fewer students. The Indoor Percussion Band went to WGI World competition in Ohio, earning 8th place in their competition class, as well as earning first place in regional and local competitions. This band has proven to be small, but mighty. Sponsorship helps provide competition fees and travel expenses, uniforms, flags, equipment, staff salaries, meals for students on long game days, and hydration during summer camp. No student is ever turned away for lack of resources. Your sponsorship can help us make that possible!

We invite you to partner with us in supporting this diverse and talented group of students in our community: The Band Boosters were able to purchase a new equipment trailer, which presents new opportunities for sponsors who opt to have their logos displayed on our trailer. Advertising can facilitate exposure for your business while the trailer is parked at the school, as well as when the band travels to and from marching and percussion competitions throughout the fall, winter, and spring. Exposure on our web page and social media sites: o FCband.org o First Colonial High School Band on Facebook o firstcolonialbands on Instagram Recognition in the community for your goodwill and support of the students. Tax-deductible donation (we are a 501(c)3 organization)
